

**Explanation of acquiring Requirement of a Pass for Science / Mathematics Subjects in  
G.C.E. (O/L) Examinations held 1999-2002**

- According to the circular 99/13, dated 04.01.1999 issued by the Secretary to the Ministry of Education, Mathematics 1 (45) and Mathematics II (42) should be considered as one subject and Science 1 (44) and Science 11 (41) also should be considered as one subject.
- It is sufficient to pass either Mathematics 1 (45) or Mathematics 11 (42) in the case of Mathematics and either Science 1 (44) or Science 11 (41) in relation to the subject Science, to fulfill the requirement necessary when a person is recruited as an employee.
- If a person has obtained a credit either for Mathematics 1 or Mathematics 11 it can be considered as a credit for the subject Mathematics.
- If a person has obtained a credit either for Science 1 or Science 11 it can be considered as a credit for the subject Science.
